

GOT PESTS?

WE CAN HELP!

Parker Pest Control, Inc. is a family owned corporation. All work is directed by a certified entomologist.

In business since 1963, we have been serving clients in Oklahoma and Kansas for more than 46 years.

NOW you too can take advantage of Parker's superior pest management services for your home.

With locations covering most of Oklahoma and Wichita, KS, Parker's will go where ever you're needs are and do "Whatever It Takes".
